11 The parties have reached an agreement in principle to globally settle this
 12 matter, along with three other cases recently filed in the Superior Court for the State
 13 of Arizona, Maricopa County and involving many of the same parties,
 14 pending/subject to a long form settlement agreement.

15 Accordingly, the parties request a stay of all case deadlines in this case so that
 16 the parties can focus their efforts on finalizing the long form settlement agreement,
 17 avoid spending additional attorneys' fees in the meantime, and avoid taking up the
 18 Court's time on matters that may be unnecessary if the settlement is finalized.

19 For the same reasons, the parties also request that the Court vacate the
 20 February 21, 2025 Scheduling Conference.
 21

The parties further request that the Court (A) set a status conference for a date no earlier than four weeks from today and (B) order the parties to file a joint status report regarding the status of the case with the Court no later than one week prior to the status conference.

Respectfully submitted this 28th day of January, 2025.
